Historical Building
Des Moines 19, Iowa

Dear Madam:

Early last month I had the opportunity to spend several days at the Historical Building doing research. I have found an error in the information to which I would like to call your attention. I do not know if you ever make corrections in your printed material, but I shall tell you what I have found and you may do as you like with it.

In the DAR Graves Registration for Story County, in the Fjeldberg Cemetery, there is listed: Halverson, Ole, 1849 - 1922
Halverson, Anna, 1842 - 1900

I visited the Fjeldberg Cemetery and found the actual headstone to read thus: HALVERSON Ole 1848 - 1922
Anna 1842 - (no date has been cut in)

Then I applied for a copy of their death certificates and have received those since I returned home. The actual dates of birth and death as given on the certificates are as follows: (deaths occurred in Story Co.)
Ole Halverson, born May 9, 1848; died January 7, 1922.
Anna Halverson, born April 14, 1841; died September 26, 1935.
(I feel this date for her birth is incorrect, as she surely ordered her correct birth year cut on the head stone, as she survived her husband by thirteen years.)

Thank you once again for the assistance which was given to me while I was in Des Moines.

Sincerely,

Virginia W. Olson

Virginia W. Olson
